If there is no prior OUI offense it is 180 days; if there is one prior OUI offense it is 3 years; two prior OUI offenses it is 5 years; or three or more prior OUI offenses it is lifetime. However, if you are under 21, it adds 3 years and 180 days for no prior OUI's; one prior OUI it is 3 years and 180 days; two prior OUI's it is 5 years and 180 days; and three or more prior OUI's it is lifetime.

In addition, if the driver is under 18, it would be for no prior OUI offenses is 4 years; one prior OUI offense under 18 is 4 years; two prior OUI offenses is 6 years; and three or more OUI offenses is lifetime.
